

Whitbread is a name synonymous with hospitality and heritage.

In 1742 Samuel Whitbread founded Whitbread & Co. and proceeded to create the first purpose-built mass-production brewery in the UK. A pioneer of new production techniques, he installed the first ever brewery steam engine, designed by famous engineer, James Watt.

With ground-breaking brewing operations making waves in Georgian London, Whitbread became a household name throughout the country, and to this day the Whitbread brand prides itself on being a respected familiar name, with quality hospitality at its heart.

Welcome to Whitbread Inns, let's continue the story together...
